Inclusion Matters

Children with disabilities often spend their lives being excluded from play, friends and their social communities. This harmful isolation can impact the trajectory of their lives.

Established in 1998, Inclusion Matters by Shane's Inspiration creates social inclusion for children with disabilities through the creation of inclusive playgrounds and educational programs that unite children of ALL abilities worldwide.

For the last 25 years, Inclusion Matters by Shane's Inspiration has been one of the world's leaders in inclusive play. With 75 inclusive playgrounds open around the globe, and more in development, we have truly changed the paradigm of play.

We invite you to become a Playanthropist by becoming a sponsor for our 25th Anniversary Gala.

Be a part of our 80's-themed gala celebrating inclusion!

Don't Stop Believin'

Our 2023 Gala will be held at
NeueHouse Hollywood
in Los Angeles, California.

One of the city's most celebrated buildings, NeueHouse Hollywood occupies the original CBS Studios, the world's first structure built intentionally for broadcast.

In this historic venue, genre-defining artists from Orson Wells and Lucille Ball, to Janis Joplin, the Beach Boys, and Bob Dylan built their legacies.
