# INCLUSION MATTERS

Children with disabilities often face exclusion from play, friendships, and their social communities. This harmful isolation can profoundly affect the course of their lives.

Founded in 1998, Inclusion Matters by Shane's Inspiration is dedicated to creating play, dignity, and social connection for children with disabilities through inclusive playgrounds and education programs that bring children of all abilities together.

For 28 years, Inclusion Matters by Shane's Inspiration has been a global leader in inclusive play. With 80 inclusive playgrounds across five continents—and more in development—they have truly transformed the way communities embrace play. Their impactful work has been recognized by the United Nations, granting them Special Consultative Status.

Dear Friend,

Join us for an unforgettable night dedicated to fostering inclusion and spreading love within our community! This special event will highlight the importance of creating play, dignity, and social connection for children with disabilities.

Our Cocktail Reception will feature a glamorous red-carpet welcome, silent auction, wine and spirits pull, opportunity drawing, hors d'oeuvres, and hosted bar, providing a wonderful opportunity to connect and celebrate.

The evening continues with our Awards Program, a three-course dinner, live auction, entertainment, and dancing.

Funds from the Gala will support our playground development, education, and outreach programs, ensuring every child can experience the profound gift of inclusion. By participating in this event, you are helping to create a more inclusive future for all. One love, one heart. Let's get together for an evening of connection, empowerment, and love.

We look forward to celebrating with you!
